EVOLVE™ iRANGE ***G30***

Deter, Deactivate, Detect

EVOLVE™ iRANGE G30

Deter, Deactivate, Detect

The G30 is part of Checkpoint Systems' EVOLVE iRange which combines eye-pleasing design and data connectivity with seamless management reporting. The antenna can also be fitted with an optional integrated VisiPlus™ people counter unit.

The EVOLVE iRange G30 antenna can fit perfectly into any environment, without impacting your customers. The Plexiglas design and integrated LEDs - which can be set to permanent on or when the antenna is alarmed - is perfect for those retailers who want top design without sacrificing performance.

*Ruby Red optional colored base cover shown above
